WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review information on our website which is www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

For Week of May 14, 2009

Arroyo Grande Area

Plummer/Velton Grading Permits. Request by Mark Velton for two major grading permits to grade access driveways and building pads on two existing, neighboring parcels. The project will result in the disturbance of approximately 17,700 square feet on (Parcel 3) and 14,550 square feet (Parcel 4), for a total site disturbance of 32,250 square feet. The project will involve 1,090 cubic yards of cut and 1,306 cubic yards of fill on Parcel 3 (net fill of 216 cubic yards). The project will also involve 925 cubic yards of cut and 596 cubic yards of fill on Parcel 4 (net cut of 329 cubic yards). The proposed project is within the Residential Suburban land use category. The project is located on the east side of Stagecoach Road [addressed at 618 (Parcel 4) and 622 (Parcel 3) Stagecoach Road], approximately 900 feet northeast of the Stagecoach Road/Plancha Way intersection, approximately 0.4 miles northeast of the City of Arroyo Grande. The site is in the San Luis Bay (Inland) planning area. ED08-021 (PMT2007-02080/PMT2008-00690)
